Mr. Walter Pforzheimer

STAT

Dear Mr. Pforzheimer:

Some years ago American Heritage was planning an article on the traitors during the American Revolution and we made some transparencies. This particular article was not used, and the transparencies were held pending further decision.

We are now planning an article by Mr. James T. Flexner on Benedict Arnold and Major Andre and we would very much like to use a transparency which we have on the death of Major Andre. It is titled, in fact, "The Unfortunate Death of Major Andre", and indicates that it is included in your collection.

We would be pleased to credit this pictures in any way you would like, or if you prefer, withhold credit. We shall send you a complimentary copy of this issue when it appears, and we wish to thank you for your cooperation.

Sincerely,

A handwritten signature in black ink that reads "Tunstall".
